LRP SPX Competition Stock Spec Speed Control

Fresh out from R&D LRP brings you the LRP SPX Competition Stock Spec. Get the edge over the competition with this speed control specially developed for stock racing. Features improved hardware and our special "Stock Spec" software which increases stock motor performance significantly. Fully dual purpose and excellently suited for both stock and modified racing, the power profile 5-8 is specially for "Stock Spec" and 1-4 profile is ideally suited to modified racing.

Features:

- 4 Stock and 4 modified power profiles
- AutoCell System
- Automatic Brushless/Brushed adaptation
- Sensored design
- Internal Temp-check system
- Big power capacitor
- 24.5g light
- ADPCTM - Advanced Digital Phase Control
- IceDrive Design
- Optimized for use with 4 - 6 cells
- 3.0A BEC
- Blue LED
- Multi-Protection System
- External soldering tabs
- 2.6mm power wire
- Launch Control

LRP High Power Soldering Station

LRP releases the first-ever Soldering Station that has been tailor-made for RC applications. Designed and fully set up to handle all the needs of a soldering station for radio control use. With its 90W power rating and 400 kHz electromagnetic heating element, this soldering station reaches maximum temperature (480C) super fast, and is perfect for soldering joints on batteries, motors, and speed controls. Equipped with the Easy Tip-system, the tip of the 90W handle with its comfortable rubber grip can easily be replaced in seconds without any tools. 1.2mm and 0.5mm tip included.

Features:

- Light-weight and compact for easy transport (1kg and 155x78x120mm)
 - Worldwide operation 100 - 240VAC
 - Multifunction handle holder
 - Magnetic Auto Sleep
 - Auto Wakeup Function, for increased tip life
 - Integrated storage for replacement tips
 - Extra large cleaning sponge
 - Fully digital for perfect adjustments
 - Easy Tip-system
 - Blue backlit Display
- Output power: 90 Watt
 Output voltage: 48 Volt
 Operation Temp. : 80-480 C
 Sleeping Temp. : 80-480 C
 Auto Sleep Timer: 0-250 min

UPC	Part #	Description	MSRP	Available
